Six Reasons to Choose a Hollingsworth Facility:

1. Purchase, lease or lease with a purchase option.
2. Cost effective custom tenant finishes to meet your specs and budget.
3. Pre-planned expansion options to facilitate future growth.
4. Streamlined development packaging including: site selection, construction, local compliance, finish and financing. Occupancy in as little as 60 days.
5. Proven cost effective and available labor resulting in high productivity operations.
6. Strategic logistics locations on interstates.

What others are saying about us...

"The Hollingsworth Companies is now one of the largest industrial developers/investors headquartered in the South with 10 million square feet developed or acquired..."

Mike Randle, Publisher, Southern Business & Development

"The 'bottom line' is we could not have been more pleased with our (Hollingsworth Companies) experience."

Karl F. Hielscher, President & CEO, Metl Span Corporation

"They readily accepted the challenge and our offices were completed within 75 days...on time and on budget. We were fully operational in our new facility within 80 days of having executed the purchase agreements."

J.N. Anderson, COO, Heritage Merchandising Co. (Pennzoil)
